

RRM

REGIONAL RUBBER MARKET

1. What is RRM?

RRM is a physical delivery rubber market which is jointly established by Thailand, Indonesia and Malaysia (TIM) under the framework of the International Tripartite Rubber Council (ITRC).

RRM shall be independently operated by nominated Exchange/Representatives in TIM.

The trading will be done via electronic trading platform through Continuous Auto-matching System.

2. Who can trade in RRM?

RRM is opened for members approved by the respective Exchange/Representatives.

Source of rubber: For the purpose of physical delivery of Technically Specified Rubber (TSR20) and Ribbed Smoked Sheets (RSS3), please refer to the Approved Factories List (Pages 4 to 10).

The Approved Factories are companies that met the criteria specified by ITRC:

- Companies which are approved/licensed and certified as TSR20 and/or RSS3 producers by the local regulators/authorities;
- Companies in operation to process natural rubber that meet the national standards of TIM and harmonized TSR20/RSS3 specifications; and
- Member of a reputable rubber organisation i.e. Thai Rubber Association (TRA)/Rubber Authority of Thailand (RAOT), Gabungan Perusahaan Karet Indonesia (GAPKINDO) and Malaysian Rubber Exchange (MRE).

Members: are those who have applied to and meeting the Terms and Conditions (T & C) of respective nominated Exchange/Representatives.

Companies interested to be a member may fill in an Intention Form:

- a. as in Page 11 and kindly fax to IRCo's office
Fax number: +662 579 0527
- b. email a scan-copy of the filled form to rrmirco@irco.biz
- c. fill in the form available at www.irco.biz

3. What are the benefits of trading in RRM?

The following benefits can be expected:

- Only standardised qualities of products are allowed to be traded in RRM.
- Qualities of products are checked by approved regulators/surveyors.
- Guaranteed supply of products
- Guaranteed payment for products delivered
- Arbitration Facilities
